

**The Patriots4Families 501-c3 tax exempt nonprofit organization was established in 2019. Honoring Chris Hardnick 's legacy: Patriots4Families was founded in loving memory of Chris, who received his Angel wings in 2019 his courageous 29 years battling with immune deficiency and later neurological disorder serves as an inspiration driving our commitment to supporting families facing similar challenges His legacy lives on through the work we do, striving to make a meaningful impact in lives of individuals and families battling similar hardship. This year 27 volunteers have been invaluable in supporting our organization and events with 325 hours. Our 2023 annual golf tournament managed to net \$13,000.00 allowing us to launch a new campaign to support caregivers, contribute \$42,00.00 to both direct and in direct recipients such as the Immune Deficiency Foundation which help improves the lives of undiagnosed and diagnosed individuals with primary immunodeficiencies as we embark on the holiday season, we invite you to join us once again in spreading our compassion.**

**Thank you for being the driving force behind Patriots for Families mission. Together we're creating a brighter future for those in need.**
